Early orientation...& systemic reframing of support systems: A Multi-Level Perspective (MLP)

Source: Loorbach, 2007, *Transition Management: New mode of governance for sustainable development*.

The event today

Work package or phase	Focus & Activity
1	Theoretical foundation
2	Role of universities
3	Role of incubators in supporting sustainable entrepreneurship
4	Role of business development organisations
5	Role of Design Service Providers
6	Role of investors, financial institutions & public funding programmes
7	Role of interagents & unusual collaboration
8	Redesigning the support system for Innovation & Entrepreneurship
9	SHiFTing the support of entrepreneurship in eco-innovation
Dissemination in project lifetime	Workshops, conference presentations, peer reviewed papers, reports, booklet & Brussels event 01.2016
Post-project	Reflection, further publications, further work via website until 2017

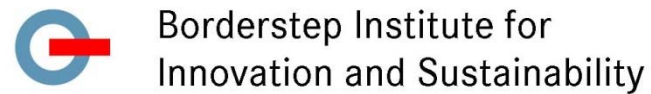

YOU, the participants, are essential to what happens next.

Today, we aim for:

- Discussion
- Feedback
- Identify opportunities
- Identify actions
- Catalyse more SHiFTing...

Thank you.
